SPRING 2026

Baby's First Year Keepsake Calendar

Welcome to the newest chapter of Creative Brands, and thank you for being a valued partner on this journey. We're delighted to share exciting news: Creative Brands has acquired C.R. Gibson, a storied company that has been crafting fine gifts, stationery and memory-keeping products since 1850.

For more than 170 years, C.R. Gibson has helped people celebrate life's most meaningful milestones—from the birth of a child to handwritten notes cherished for generations. As we bring this beloved brand into the Creative Brands family, our vision is to honor its legacy while building a stationery-forward future filled with creativity, quality and connection.

C.R. Gibson's heritage aligns beautifully with our own values, and we are proud to continue offering the brand's iconic product lines:

Baby – For generations, C.R. Gibson has been a trusted companion to growing families. We hope to continue this tradition with products designed to capture the tiny details and treasured firsts that become lifelong keepsakes.

Kids – The spirit of curiosity thrives in our kids' line. Every product invites little learners to explore, imagine and discover the world around them.

Kitchen – Rooted in family tradition, our Kitchen products help to preserve the flavors and stories shared around the table. From everyday meals to generations-old favorites, C.R. Gibson helps keep culinary memories alive.

Markings – A hallmark of thoughtful design, our Markings stationery collections blend refinement with everyday function. Ideal for professionals, students and creatives, Markings elevates the art of writing with modern sophistication.

Expressions – Through greeting cards and heartfelt sentiments, Expressions brings connection into focus—celebrating the moments, milestones and messages that matter most.

While the history of C.R. Gibson is rich and enduring, its future is equally bright. Together, we envision a brand that continues to lead in stationery, gifting and memory-keeping—rooted in craftsmanship, refreshed with innovation and inspired by the simple belief that every note, every page and every keepsake should be something held, re-read and remembered.

We are honored to carry C.R. Gibson forward and grateful to have you with us as we build the next generation of products that celebrate life beautifully.

Thank you for your continued partnership, and for joining us as we begin this exciting new chapter of C.R. Gibson within Creative Brands.

With sincere gratitude,

LILY & VAL

HELLO, FRIEND...

My name is Valerie McKeehan. I am a sentimentalist, homebody, flower lover, author, cut flower gardener, vintage collector, Francophile, wife to my best friend who also happens to be my business partner, and mama to two sweet girls, Vienna and Charlotte.

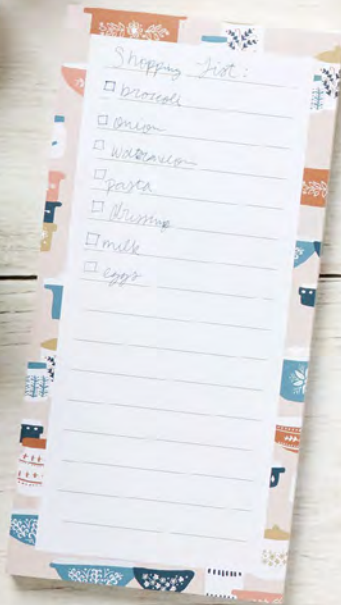

Most of my days are spent painting, drawing, illustrating and creating (tea is always involved) out of my home studio in Pittsburgh, Pennsylvania. For as long as I can remember, I've loved to create and dream up ideas for things to make.

OUR STORY

C·R·Gibson®

CELEBRATING & DESIGN IS AT THE HEART OF EVERYTHING WE MAKE AND DO!

For over 175 years C.R. Gibson® has been committed to making products that commemorate life's celebrations!

1850

The Gibson family, settled in the USA from York, England and started their family printing business in America eventually launching two printing companies: one propelled by the Civil War in 1860 and the other by purchase in 1870. The latter company called the John Gibson Company, which became today's C.R.Gibson®

1900

After prospering separately for over thirty years, the John Gibson Company and the Gibson Art Company merged into one, forming C.R. Gibson® & Company under the leadership of John Gibson's nephew, Charles Gibson. A young innovator and apprentice to the family business, Charles had previously developed wedding and baby books. These fresh formats transferred to the new company, increasing C.R. Gibson's® presence in the industry and firmly established it as an industry leader.

1920

Throughout the early 20th century, C.R. Gibson & Company grew into an extended family of sorts. C.R. Gibson® continues to build on the core values that have successfully guided the company over the years.

1940

With rough waters behind them, the company had outgrown its New York dwelling so C.R. Gibson®, comprised of thirty employees, relocated to larger facilities and a more measured pace of life in Norwalk, Connecticut.

1960

Continuing to innovate and increase its range of products, C.R. Gibson® began a strategic growth strategy by acquisition, starting in 1963 with the purchase of photo album manufacturer, W.C. Horn Brothers & Company. This pivotal maneuver allowed C.R. Gibson® to successfully enter the gift book and photograph album market with two revolutionary products.

1979

With the purchase of the Creative Papers Stationery Company C.R.Gibson® added new dimension to the company in fine stationery and boxed card categories.

2007

C.R. Gibson® itself was acquired by CSS Industries, Inc. Since that transition, another brand caught C.R. Gibson's eye: the company acquired Basalt, Colorado-based Iota Stationery and Gifting Essentials in May 2008 adding to their niches trend-forward design that has inspired a future of stationery, gift, and licensed products.

2020

The C.R. Gibson® brand as a part of CSS Industries was acquired by DG Americas and continued to grow the CELEBRATION! Gift category.

2025 - PRESENT

C.R. Gibson® is acquired by Creative Brands, a subsidiary under CBC Group. We are excited to continue to grow and build this unique stationery and gift brand, drawing on the strengths of previous success and new visions.
